

Eagle Scout Community Service Project

Improving Beach Water Quality

Who: Robby Lovdahl - Troop 671- For Info: (562)795-5000

What: Visiting and surveying the condition of the Long Beach open water channels and documenting this information.

**When: Saturday August, 21st from 8:00 - 4:00 &
Sunday August, 22nd (if needed) 1:00-4:00**

**Where: Base of Operations at Stearns Park,
4520 E 23rd St, Long Beach**

Why: With the information gained from the project, the City of Long Beach will be able to minimize the amount of pollutants that enter the channels and pollute the ocean.

**Jobs: -Designated adult drivers/navigators
-Youth will be observing and documenting the condition of the channels.**

Things to Bring:

- Digital Cameras if possible**
- Cell phones**
- Sunscreen/hat**
- Signed Permission form**

(available at <http://troop671.ocbsa.org>)

**Lunch will be provided at Stearns Park on Saturday
And snacks will be provided on Sunday**
